**St Winefride's  
Catholic Primary**

Welcome to St Winefride's where we come together to **LEARN, LAUGH, LISTEN, LIVE and LOVE** in the presence of Jesus.

At our school, we believe that everyone is valued as a unique gift from God.

We work together to create an engaging learning environment, where all children are challenged to achieve their full potential.

**St Winefride's  
Mission Statement**

**All young people and their families are invited to be part of our wonderful school community.**

St Winefride's is an inspirational and **inclusive school** where we all love to work, learn and grow together in all aspects of school life whilst following in the footsteps of Jesus. We strive to nurture the gifts and talents of **all learners** and provide the highest quality of education within a warm, welcoming and supportive Catholic ethos; encouraging all children to reach their full potential.

Through creating a stimulating learning experience and promoting positive mindset and an aspiration for achievement and excellence, our children will become confident, independent and resilient. They will develop essential skills alongside essential knowledge to equip them to grow and thrive in an ever-changing world.

St Winefride's is a safe place where all learners and stakeholders are happy, safe, secure and challenged in an environment where the Gospel values are at the centre of everything that we do.

Our Core values of **Excellence, Respect, Happiness, Resilience, Compassion and Faith** are lived out within our school and wider community where we come together, daily, to **'Learn, Laugh, Listen. Live and Love'** in the presence of Jesus.

## For the children of St Winefride's Catholic Primary School, we strive to...

**At St Winefride's, we follow the example of Christ and in so doing, treat our children, families, staff, governors and everyone in our community with dignity and respect.**

Provide a safe, calm and purposeful atmosphere where all young people are cared for, valued and able to learn with confidence.

Know and understand every child that we teach.

Promote a trusting environment where everyone respects one another's individuality.

Develop and nurture positive relationships with everybody in our school community.

Promote high standards of behaviour at all times.

Provide a vibrant, fun and exciting learning environment to enthuse children to learn.

Provide a comprehensive, exciting and challenging education through a well-designed and sequential curriculum which enables every young person to achieve their full potential and make the most of their talents.

Deliver a high quality, inclusive education for all learners, where creativity and personality are encouraged to blossom and thrive and where independence, motivation, perseverance and resilience become life-long skills.

Provide excellent teaching and learning for all learners so that all of our children are challenged to attain highly and have the opportunity to reach their full potential.

Inspire and motivate a highly skilled team of staff and continually develop our knowledge to ensure the best possible education for all of our children.

Encourage all young people to become independent learners and thinkers.

Encourage a growth mindset in all who are part of our school community and embrace an 'I CAN' attitude.

Encourage all children to be resilient, growing through tailored challenges and varied, vibrant learning experiences.

Encourage children to use strategies to think about their own learning more explicitly through teaching them specific strategies for planning, monitoring and evaluating their learning.

Ensure that our children know more and remember more through the consistent approaches to teaching and learning embedded across our school curriculum.
